I. This pricing confirmation applies to all net purchases of eligible products by qualified locations for the time periods specified above. Net purchases are defined as gross sales dollars less returns, credits, cash discounts, and taxes. Invoices not paid within terms or invoices on which unauthorized deductions are taken will not be included in net purchases. Net purchases do not include orders where the Contractee does not take title to the product.

II. Supporting Documentation is required for all Allowance requests:

> Distributor Name with company location and Contract Number
> Tyson contract number
> Shipment dates for each sales transaction
> Customer name, Distributor customer number, rate of rebate by product along with complete unit address information
> Tyson product code number or GTIN number
> Description of product item pack, size, item brand & UOM
> Total cases purchased
> Requested case rates per product and total rebate dollar amount per product

III. Tyson reserves the right in its discretion to amend, revise, or terminate this pricing confirmation at any time.

IV. Acceptance of a rebate on any portion of this program from Tyson, in writing, by purchase of any of the products identified, or by submission of a claim, constitutes acceptance of this program in its entirety, and voids participation in any other Tyson program.

V. No other Tyson programs apply to this operator and any prior programs or contracts are superseded and terminated.

VI. This pricing confirmation does not automatically renew and is only applicable to the dates stated above.

VII. Estimated volume represents one of the considerations for the rebates offered. Future adjustments to the rebate amounts may be based on the actual volumes purchased.

VIII. All purchases made under this contract are also subject to Tyson standard invoice terms and conditions of sale.

PAYMENT CALCULATION & SETTLEMENT

I. Tyson will review claims submissions for errors. Tyson may approve or deny submissions in its reasonable discretion.

II. Rebates of a specified dollar amount must be claimed from Tyson at the specified dollar amount regardless of the invoice price.

III. The calculation of Rebate percentage billbacks will be determined by multiplying the Rebate percentage by the customer invoice price.

IV. Fixed price or deviated price billbacks are calculated by subtracting the deviated price from the price defined on the Tyson published price list.

V. Tyson will allow distributor deviated rebates to be administered by distributor(s) only if authorized in writing by the operator. Operator rebates must be paid directly to the operator and will not be deviated through the distributor.

VI. The rebates identified are only available to the operators listed. Tyson reserves the right to deny payment of any claim for any purchases made by customers/operators who are not eligible for these rebates. These rebates are considered confidential information to be shared only with the parties listed in this agreement.

VII. Tyson will not honor rebate claims for any product that is resold or delivered past its shelf life or expiration date.

VIII. Rebates are paid on full cases only. Partial cases are not eligible for rebates and will be disallowed.
