III. The calculation of Rebate percentage billbacks will be determined by multiplying the Rebate percentage by the customer invoice price.

IV. Fixed price or deviated price billbacks are calculated by subtracting the deviated price from the price defined on the Kraft Heinz published price list.

V. Kraft Heinz will allow distributor deviated rebates to be administered by distributor(s) only if authorized in writing by the operator. Operator rebates must be paid directly to the operator and will not be deviated through the distributor.

VI. The rebates identified are only available to the operators listed. Kraft Heinz reserves the right to deny payment of any claim for any purchases made by customers/operators who are not eligible for these rebates. These rebates are considered confidential information to be shared only with the parties listed in this agreement.
