V. No other Tyson programs apply to this operator and any prior programs or contracts are superseded and terminated.

VI. This pricing confirmation does not automatically renew and is only applicable to the dates stated above.

VII. Estimated volume represents one of the considerations for the rebates offered. Future adjustments to the rebate amounts may be based on the actual volumes purchased.

PAYMENT CALCULATION & SETTLEMENT

I. Tyson will review claims submissions for errors. Tyson may approve or deny submissions in its reasonable discretion.

II. Rebates of a specified dollar amount must be claimed from Tyson at the specified dollar amount regardless of the invoice price.

III. The calculation of Rebate percentage billbacks will be determined by multiplying the Rebate percentage by the customer invoice price.

IV. Fixed price or deviated price billbacks are calculated by subtracting the deviated price from the price defined on the Tyson published price list.

V. Tyson will allow distributor deviated rebates to be administered by distributor(s) only if authorized in writing by the operator. Operator rebates must be paid directly to the operator and will not be deviated through the distributor.

VI. The rebates identified are only available to the operators listed. Tyson reserves the right to deny payment of any claim for any purchases made by customers/operators who are not eligible for these rebates. These rebates are considered confidential information to be shared only with the parties listed in this agreement.

VII. Tyson will not honor rebate claims for any product that is resold or delivered past its shelf life or expiration date.

VIII. Rebates are paid on full cases only. Partial cases are not eligible for rebates and will be disallowed.
